

# Autojacket

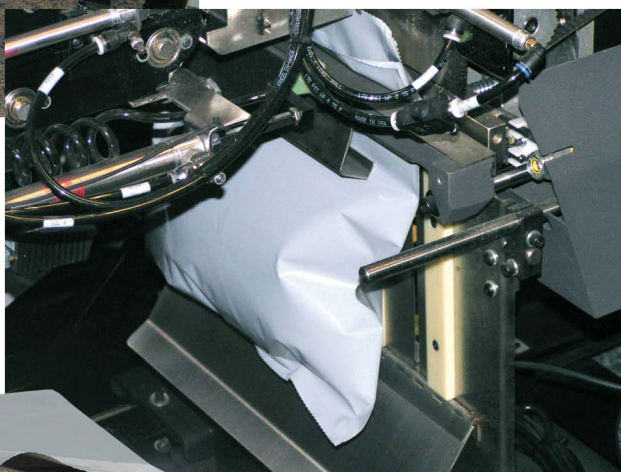

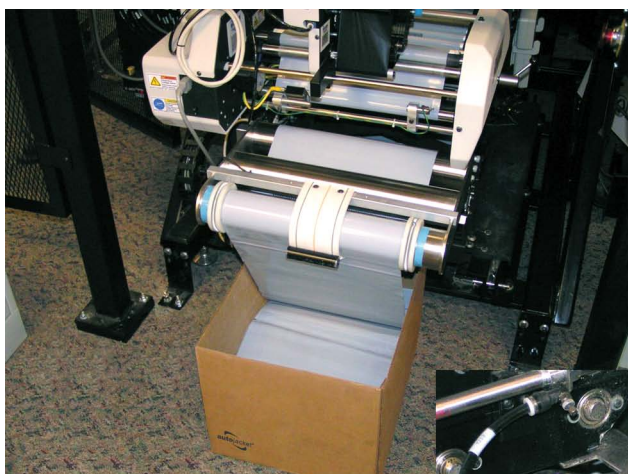

## Automated Machine Bags

### Product Description

**Autojackets** are made from durable, moisture resistant co-extruded polyethylene. They are constructed with strong side heat seals for superior bursting strength, available on rolls or fan folded in a box. Ideal applications include most retail and industrial products such as hardware, fasteners, auto parts, electronics, toys, and pharmaceuticals.

Increase your fulfillment speed, decrease your labor, packaging and shipping costs with PAC's automated packaging.
