

Mailjacket Paperboard Mailers

Product Description

Mailjackets are paperboard mailers made from 100% recycled paper – 95% of which is post-consumer recycled. They are constructed with a bottom fold and strong side heat seals for superior strength and our pressure sensitive self-seal adhesive closure system is reliable, tamper-evident and easy to use. We offer open-side or open-end style mailers in 12–26 point board weight. Ideal for photos, documents, books, calendars and CDs.

Closure System

Pressure sensitive (self-seal) adhesive closure is reliable and tamper-evident. Release liner peels off quickly. Easy to load contents and seal package when the packing process needs to be fast and efficient.

Opening System

Tear strip tab provides quick and easy opening. Saves time in product retrieval.

Material

12-26 point paperboard. Made from 100% recycled content - 95% of which is post-consumer. Rigid and clean white appearance. High quality, hand-sorted, recycled materials. Durable mailer that protects documents and enhances corporate image. Recycled content makes a positive contribution to environmental concerns.

Construction

Open-side and open-end mailers with side glue flaps. Quick and easy to insert documents. Very strong construction style. Your contents will remain secure from the point of origin to its destination. Custom bottom or side gusset construction is also available.

Stock Products Program

Plain white Mailjackets are available in 9 industry standard sizes. Offers low minimum quantities and immediate shipment. Save money by ordering only what you need.

Custom Capabilities

Custom, high quality graphics with up to six ink colors on two sides. Enhances your corporate image and product value with immediate brand recognition. Custom sizes available.

The Mailjacket is 100% recyclable. Made of 100% recycled content - 95% of which is post-consumer.
