

The PAC Worldwide Kraft Airjacket has been re-engineered with a stronger bubble and higher cubing efficiencies. Protecting the products you ship while cutting down on your shipping costs and saving you space in the warehouse.

VS.

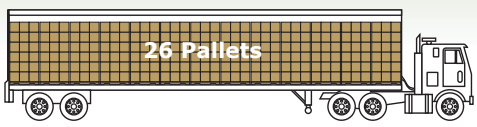

Others

- #6 Kraft Airjackets (12.5" x 18")
50 mailers per corrugated box
x 48 corrugated boxes per pallet
x 26 pallets
= 1248 boxes per truck
= 62,400 mailers per truck

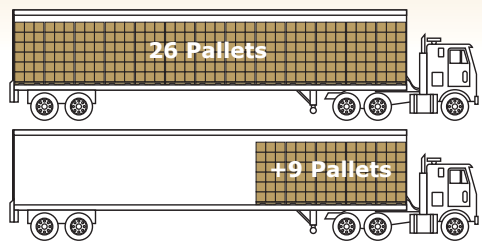

- #6 Kraft Bubble Mailers (12.5"x18")
50 mailers per corrugated box
x 36 corrugated boxes per pallet
x 26 pallets
= 936 boxes per truck
= 46,800 mailers per truck

SHIPPING

- One truck load of #6 Kraft Airjackets is equivalent to 1.33 truck loads of #6 Kraft Bubble Mailers

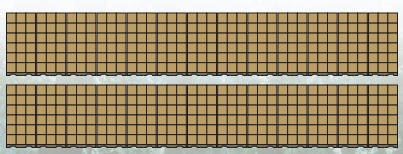

=

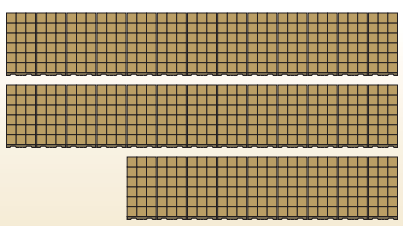

WAREHOUSE SPACE SAVED

- 26 pallets stores 62,400 #6 Kraft Airjackets

=

- 35 pallets stores 62,400 #6 Kraft Bubble Mailers

ENVIRONMENTAL IMPACT

- Saves the diesel fuel from two trucks vs. one as well as the carbon that would be released
