

Metallic Bubble Mailers

Metallic Airjackets are sure to get noticed as they move through the mail stream and onto your customer's doorstep. These shiny metallic bubble mailers not just pretty; they are the strongest mailer in our product line. With a unique blend of metalized polyester and low-density polyethylene for extra rigidity and super strength, your package will look great and have superior protection. This mailer's ultra-rigidity is the perfect solution for preventing crushed edges on items such as cosmetics, jewelry, books and items in decorative exterior boxes.
