

Polyjacket® mailers are made from durable, moisture resistant co-extruded polyethylene. They are constructed with a bottom fold and strong side heat seals for superior bursting strength and our pressure sensitive self-seal adhesive closure system is reliable, tamper-evident and easy to use. Polyjacket mailers are ideal for shipping clothing, soft goods, documents, parts, and pharmaceuticals. Optional dual peel and seal flaps provide e-commerce companies with the perfect solution for customer returns.

Stock or Custom Solutions

Plain white Polyjacket mailers are available in eight industry standard sizes through our convenient Stock Products Program. *Be Different... Brand your Deliveries!* Increase your brand awareness by customizing your package with our six color printing capabilities that enable us to print even the most complex designs.

Closure System

The pressure sensitive (self-seal) adhesive closure is reliable and tamper-evident. The **Anti-stat** release liner peels off quickly, making it easy to load contents and seal package when the packing process needs to be fast and efficient.

Material

Multi-layer (co-extruded) polyethylene film is durable and moisture resistant with exceptional puncture resistance and tear strength. Its durable nature will provide effective protection, while the clean, white aesthetic enhances your corporate image and customer perception of your product(s).

Construction

The sideweld heat seals and bottom fold construction provides superior bursting strength, so your contents will remain secure from the point of origin to the destination. Side pouch seal construction is also available.

Optional Features

- Dual peel and seal release liners
- Bottom gusset
- Wicket

The Polyjacket is 100% recyclable.

Stock Products Program

Plain white Polyjacket mailers are available for immediate shipment in 8 industry standard sizes. Low minimum quantities allow you to save money by only ordering what you need.

Custom Capabilities

Gain brand recognition and enhance your corporate image with custom, high-quality six color printing. Custom sizes are available.
