

# Cannabis Packaging Products

With Child-Resistant and Tamper-Evident Features

**PAC Worldwide** offers a wide variety of packaging solutions including child-resistant and tamper-evident pouches. These easy-to-use pouches are the cutting edge solution for your medical and cannabis packaging needs. Flexible pouches provide cost-savings, stylish designs, and better security features compared to bottles, jars, and traditional forms of storage or portability.

## Packaging Options

- **Child-resistant reclosable zipper pouches** – Certified packaging produced and tested in compliance with the Consumer Product Safety Commission's protocol and standards for Poison Prevention Packaging as required by the Code of Federal Regulations (CFR) Title 16, Part 1700.20.
- **Standard reclosable zipper pouches** – Metalized film on one side and clear on other side for product viewing.
- **Barrier films** – Block odors, UV light, moisture, and oxygen. Protect potency and extend shelf life.
- **Tamper-evident features** – Heat sealable. Visual or void evidence of tampering.
- **Custom or stock inventory available**
