proud to announce we are partnering with and supporting the Red Cross with an in-kind donation of bubble for their Biomedical Services Division. The Red Cross touches so many lives and PAC looks forward to supporting the Red Cross in any way we can for many years to come” said VP of Communications John Bartell of PAC Worldwide.

Each year, the Red Cross provides much-needed support to patients across the country by collecting nearly 4.9 million units of blood from more than 2.8 million volunteer donors.
