

Curbside Recyclable Mailer that fits your shipping needs

21% of consumers choose brands that make an effort to be sustainable.

Businesses that go green can make more green!

Superior Protection

Consistent and reliable fluted cushion protection

Tamper-evident seal

Side heat seals and bottom fold construction provides superior bursting strength

Consumer Friendly

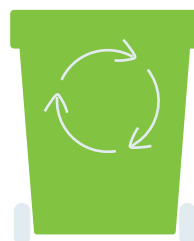

Easy open tear strip feature

Easy to toss right in their curbside recycling bin*

*Curbside recycling options vary from place to place

Eco-friendly

Curbside recyclable mailer made from recyclable natural kraft paper

1 ton of paper (2,000 lbs) Recycled Saves

17 Mature Trees

7,000 Gallons of Water

3 Cubic Yards of Landfill Space

Decrease Landfill Waste

The US is producing 290 million tons of waste a year, only 68% of paper is being recycled. Increasing that to 75% would be like removing **50 million cars** from the road!
