PAC SUSTAINABILITY

PAC Worldwide's mission is to be the leader in sustainable flexible packaging. To achieve this we are;

- focusing on being an active and continuous member of the circular economy
- keeping packaging in the economy and out of the environment
- designing for recycling
- increasing recycled content in our products

CUSTOM MAILERS

Create custom packaging & mailers with your company brand, from a simple logo to a full 10-color process from edge to edge. Order specialized flexible mailers wholesale at competitive prices.

Our development team is constantly innovating toward new solutions for safe and exciting packaging that helps our customers succeed.

PAC WORLDWIDE®

Protecting the things people care about®

PAC Worldwide manufactures protective mailers and specialty packaging for the courier, e-commerce and distribution markets.

We offer a full portfolio of branded and stock packaging with paper, poly, padded and flat solutions.

For almost 50 years we've been solving problems, building reputations and protecting the things that people care about.

With over 1,400 team members throughout the US, UK, Mexico and Malaysia we listen to the needs of our customers and innovate solutions to meet them.
